

Roosevelt Fight Song (Our Director)

Playing Instructions

We play ONLY THE TRIO SECTION.

Start (at the STAR) 7 measures before the first ending. Take the repeat and play down to the first ending again. Then we do the yell: “R-I-D-E-R-S, Riders and UP!” REPEAT AGAIN! This time play all the way through and take the second ending. That’s it.

This is a 6/8 March played in a Marcato Style throughout. I like the quarter notes to be nice and short. The Dotted Quarters should have some separation between them.
