

**Present:** Sarah Thomas, Raj Kapur, Balika Haakanson, Amy Piper, Tina Gourd, Sara Sherlock

**Directors Report:**

- **End of year awards:** Need to figure out awards for the seniors. We need a parent volunteer to help coordinate these. What shall we give the seniors, and can someone coordinate certificates? We are thinking 4 year band senior cords, perhaps a framed certificate and flowers for all seniors. Each ensemble will get 4 awards, 3 will be voted on by the peers. To be given out on June 22<sup>nd</sup> (concert). **Amy Piper** will work with Hannah on this.
  - To do: get a list of seniors and award winners, organize engraving of the RHS plaque (Scott's trophies does engraving). If we can get Hannah and a student to work on a certificate mock up for seniors, and a mock up for an ensemble award that would be great (perhaps at work party).

**Treasurer's Report:**

- Balance is 40,000 (lowest its been since Raj has been here)
- \$9,000 UW Husky clean-up, still not received, Mark continues to email- Raj may make a visit.
- Still looking for around \$4500 in reimbursements, but we are waiting for those to go through (ASB and Roosevelt Foundation)
- Around \$8229 raised for spring band camp (paypal) plus there may be some checks- we've awarded 3 scholarships and so far we've spent \$1700. Commitment for 55 to come to camp.
- Lab fees are still coming in (from 86 students total) Looks like only 24 people haven't responded about lab fees.

Can we find a student to coordinate certificates on Sunday?

- **Husky Cleanup:**
  - When are the dates for next year?
- **Fall Band Camp Sep 8-10**
  - Will set up a separate series of meetings to plan fall band camp
- **Drumline update:**
  - Rehearsals are in process, under Hannah's direction
  - Is BDX happening on June 3?
- **\$ situation for next year (and Lab Fees)**
  - Can we put all lab fees in boosters next year? Bake sales or other parent-led events are considered booster money, so we can use for booster events.
  - Next year the rule will be that if kids are involved, ASB will get 10%. (Only put in the 10% when we are paid.)
  - **There are 2 accounts teachers can draw from**
    - **self-help or building account** (curricular events for classes, music repairs and such). This is where lab fees go. If Hannah needs a sub, if we need a sub, that will need to come from ASB.
    - **ASB** (funded by people buying asb cards). This is extra curricular, so fall band camp and such ASB. A sub would be covered by ASB.
    - Consider in all events: \$200 for yellow buses, \$1100 for motor coaches
- **Fundraising**
  - Wreaths could start earlier (can we market to feeder schools as well?), Sarah recommends delivering them instead of pick up.
  - Rent the drumline
  - Raffle baskets at concerts- Jen has details if we can find a parent to spearhead
- **Uniforms**
  - We may be on the hook for \$3000 for dry cleaning

**Next meeting: June 13<sup>th</sup>, also to be the annual meeting to elect officers.**
